Alexis –

Thanks for your note and it is my understanding the Congressman is traveling by himself, but will confirm. I have already registered the Congressman in our Visitor Registration System I confirmed the 10:00am time this morning with his scheduler, Rachel Provost. I will check in with Enf/Water Divisions regarding noncompliant drinking water systems in his district. I know Elizabeth Adams in Air sent me a success story on exceptional events and she is able to attend if you wish. Will check in with the other Division Directors as to whether they have any other issues to raise and let you know.

Will the Congressman be travelling with staff? Is the 10 am time confirmed? NV's Brad Crowell will call in after his cabinet meeting ends.

I've spoken with Enrique, who'll be giving me an Anaconda and a Eureka update.

Let's confirm with Enf Div/Water Div re noncompliant drinking water systems in his district,
and whether the division directors have any other issues.

Thanks, Alexis
